Agreement

Second Look Examiners LLC. and _____herein Agree as
follows:

X   There will be a Nonrefundable fee of $24.95 for us to purchase or
Transfer your URL.

XX $595.00 fee   for building the site will be due prior to publishing
the finished product. This fee includes up to 10 pages. Additional
pages will be charged at $10.00 per page.

XX   Ecommerce sites are more and will be billed as agreed.

XX   The annual hosting fee is $100.00, billed annually.

☐ The hosting fee does not give you your own private IP Address. We
charge $75.00 for individual IP Addresses.   Most people don't need
this. You will need this if you want to have a secure web-site, Annual
Fee

☐ Secure Site encryption is $89.00 This is what makes your site secure.
Annual Fee. You don't need this unless you are selling products off
your website and not using Paypal.

☐ Band Width. In the event your site uses more than the allotted Monthly
band width (9,000.00 MB) you will be billed $.05 per each additional
MB used on the next monthly billing. It would take a lot to exceed
9,000.00 MB.

☐ We can provide a backup service for your site for $50.00 per year. This would protect you from having to pay to have your site re-constructed if it ever fell victim to a hacker. WE STRONGLY suggest you visit your site every 28 days. If your site has been hacked we can install a backup from 30 days prior at no charge. If it was hacked longer than 30 days prior there is no backup and you will have to pay for us to reconstruct your site, unless you have paid the $50.00 per year.

XX   We will release your URL from our Hosting Company with 5 days notice as long as the current Hosting fee has been paid. If you cancel in the middle of your hosting period, we don't refund or prorate your hosting fees. You will need to get your own IP Address at the new Hosting Site.

XX   Professional photo install is $15.00 each. I will upload photos you provide at no charge.

☐ We have many other options that will be billed as required. I guarantee that you will never pay for something you haven't agreed to prior. Examples include but are not exclusive:
Secure verified Website
Upgrades to plugins
Payment Gateways other than PayPal
Photo Rotator
Membership websites
Hard Costs to Second Look Examiners Additional programmers as needed.
